EXPERIENCE

D.N.V. OVERSEAS · International Export Business

Co-Founder & Business Development Lead

Dubai, UAE

Dec 2023 – Present

- Built B2B sales pipeline from zero across Russia, Mongolia, and the Middle East through prospecting, needs assessment, and consultative selling; closed 25+ supply agreements worth \$450K+ by developing long-cycle buyer relationships and negotiating favourable commercial terms.
- Designed account management framework scoring 200+ international buyers by purchase intent, contract value, and strategic fit; focus on top-20% priority accounts delivered 70% of total revenue and cut non-productive BD effort by 50%.
- Reduced average sales cycle by 2 weeks through pipeline management cadence and buyer qualification scorecard; engagement with procurement leads improved closing rate by 40% and increased average deal size by 30% through upsell conversations at renewal.
- Led market entry sales strategy across 3 geographies, building sales forecasting model that identified Middle East as highest-conversion market; executed BD campaign generating \$320K in contract pipeline within 8 months and establishing the business's first GCC buyer relationships.
