EXPERIENCE

D.N.V. OVERSEAS International Export Business <i>Co-Founder & Strategy Lead</i>	<i>Dubai, UAE</i> Dec 2023 – Present
- Spearheaded strategic analysis and market research across Russia, Mongolia, and Middle East, building a 5-dimension weighted scoring model covering TAM, competitive intensity, entry cost, pipeline conversion, and operating risk; identified Middle East as priority (7.9/10) — recommendation validated by \$320K in pipeline within 8 months. - Developed hypothesis-driven commercial growth strategy for a 3-market export business, defining ICP segmentation, go-to-market priorities, and 90-day BD roadmap; strategy established the business's first structured decision framework and directly supported \$320K in contract pipeline. - Conducted business diagnosis across supply chain, pricing, and BD operations — mapped value chains, isolated root causes of margin erosion, and built profitability analysis framework; presented structured findings and strategic recommendations in executive memo format to leadership. - Built scenario analysis and full financial model for an investment case, stress-testing 3 growth assumptions against comparable company benchmarks; delivered Buy recommendation at 26.3% IRR and 3.22x MOIC — packaged as a structured consulting deliverable with documented methodology.	
RAVI FOODS PVT. LTD. FMCG Export Manufacturer <i>Finance & Market Analyst</i>	<i>Kolkata, India</i> Dec 2022 – Aug 2023
- Led market research and competitive analysis for 4 export geographies, synthesising trade data and regulatory landscape into market attractiveness scores; strategic analysis informed entry sequencing adopted by leadership that reduced new-market onboarding time by 3 weeks. - Applied ABC costing methodology to a 4-market portfolio to isolate profitability drivers, identifying 2 structurally loss-making accounts; recommended exit and repricing strategy that improved net margin by 18% within one quarter.	
RADBOARDS PVT. LTD. Digital Marketing & Sales Startup <i>Sales & Marketing Associate</i>	<i>Kolkata, India</i> Aug 2022 – Nov 2022
- Conducted competitive analysis and pricing benchmarking for B2B product positioning, developing hypothesis-driven partnership strategy; secured 2 signed brand agreements and established a referral channel generating ₹8L+ in qualified pipeline. - Led customer segmentation and needs assessment across 500+ prospect contacts to prioritise BD targets by revenue potential and conversion probability; presented structured analysis as a stakeholder deck that reshaped BD prioritisation for the following quarter.
