EXPERIENCE

D.N.V. OVERSEAS International Export Business	Dubai, UAE
Co-Founder & CFO	Dec 2023 – Present
- Designed three-statement financial model and FP&A framework across 3 international markets, enabling weekly variance analysis and actuals-vs-budget P&L review; delivered 12pp margin improvement within 8 months by converting reactive reporting into forward-looking pricing decisions. - Spearheaded pricing strategy and capital planning for \$450K+ in supply contracts across 25+ international buyers, building sensitivity and scenario models to defend margin targets across 3 currency-volatile markets — secured above-ask commercial terms in 80% of negotiations. - Built PE-style LBO and DCF valuation platform integrating debt schedule, comparable company analysis, and 3-scenario stress tests; delivered Buy recommendation at 26.3% IRR and 3.22x MOIC, deployed as a live investment committee dashboard. - Identified \$38K in avoidable working capital costs through ABC cost allocation and cash conversion cycle analysis across 4 markets; reallocated freed capital to higher-margin geographies, improving blended net margin by 9%.	
RAVI FOODS PVT. LTD. FMCG Export Manufacturer	Kolkata, India
Finance & Market Analyst	Dec 2022 – Aug 2023
- Led profitability analysis and revenue forecasting across 4 export markets, isolating 2 underperforming segments through ABC costing; recommended and implemented pricing restructure that lifted blended margin by 18% within one quarter. - Built financial planning model integrating FX risk, logistics cost, and demand forecasting for international contracts, reducing margin leakage by 9% and improving cost allocation visibility across all active supply agreements.	
RADBOARDS PVT. LTD. Digital Marketing & Sales Startup	Kolkata, India
Sales & Marketing Associate	Aug 2022 – Nov 2022
- Designed ROI tracking and budget management system for outbound campaigns in Excel, producing weekly actuals-vs-budget variance reports that gave management real-time visibility into marketing spend efficiency. - Built pipeline forecasting model across 500+ outreach contacts projecting ₹14L+ in qualified revenue, with consolidated financial summaries used in monthly management reviews.
