EXPERIENCE

D.N.V. OVERSEAS · International Export Business

Dubai, UAE

Co-Founder & Strategy Lead

Dec 2023 – Present

- Drove strategic analysis and market research across Russia, Mongolia, and the Middle East, building a 5-dimension MECE weighted scoring model covering TAM, competitive intensity, entry cost, pipeline conversion, and operating risk; identified Middle East as priority market (7.9/10) — recommendation validated by \$320K in pipeline within 8 months.
- Developed hypothesis-driven commercial growth strategy for a 3-market export business using structured issue-tree methodology, defining ICP segmentation, go-to-market priorities, and a 90-day BD roadmap; delivered the business's first formal decision framework, accelerating BD activation by 6 weeks against the prior ad-hoc approach.
- Conducted business diagnosis across supply chain, pricing, and BD operations — mapped value chains, isolated root causes of margin erosion, and built profitability analysis framework; presented structured executive memo to leadership with recommendations adopted in full and implemented within 30 days, improving net margin by 18%.
- Constructed scenario analysis and full financial model for an investment case, stress-testing 3 growth assumptions against comparable company benchmarks and conducting due diligence on target fundamentals; delivered Buy recommendation at 26.3% IRR and 3.22x MOIC as a structured consulting deliverable with documented methodology.

RAVI FOODS PVT. LTD. · FMCG Export Manufacturer

Finance & Market Analyst

Dec 2022 – Aug 2023

- Led market research and competitive analysis for 4 export geographies, synthesising trade data and regulatory landscape into market attractiveness scores; strategic analysis informed entry sequencing adopted by leadership that reduced new-market onboarding time by 3 weeks.
- Applied ABC costing methodology to a 4-market portfolio to isolate profitability drivers, identifying 2 structurally loss-making accounts; recommended exit and repricing strategy that improved net margin by 18% within one quarter.

RADBOARDS PVT. LTD. · Digital Marketing & Sales Startup

Kolkata, India

Sales & Marketing Associate

Aug 2022 – Nov 2022

- Conducted competitive analysis and pricing benchmarking for B2B product positioning, developing hypothesis-driven partnership strategy using MECE segmentation; secured 2 signed brand agreements and established a referral channel generating ₹8L+ in qualified pipeline.
- Led customer segmentation and needs assessment across 500+ prospect contacts to prioritise BD targets by revenue potential and conversion probability; presented structured analysis as a stakeholder deck that reshaped BD prioritisation and accelerated deal velocity for the following quarter.
