EXPERIENCE

D.N.V. OVERSEAS · International Export Business

Dubai, UAE

Co-Founder & Marketing & BD Lead

Dec 2023 – Present

- Designed and executed account-based marketing (ABM) strategy across 200+ accounts, segmenting by ICP fit and lead scoring to concentrate BD effort on highest-conversion buyers; achieved 40% pipeline conversion on priority accounts and 35% ROI on campaign spend — 2x above initial target.
- Drove multi-channel demand generation across LinkedIn outreach sequences, cold email campaigns, and referral programmes targeting procurement and trading buyers across 3 international markets; built \$450K+ in B2B pipeline from zero within 18 months through structured growth marketing execution.
- Constructed marketing analytics dashboard tracking CPL and attribution modelling across LinkedIn, email, and referral channels; reallocated budget based on channel ROI data, reducing blended CPL by 28% and improving pipeline-per-dollar-spent by 35% over two quarters.
- Developed content strategy and A/B testing framework across 3 markets with distinct buyer profiles, testing 4 value propositions against open-rate and reply-rate data; iterative optimisation improved email conversion 3x, cut cost-per-response by 40%, and established the template adopted across all subsequent outreach campaigns.

Finance & Market Analyst

Dec 2022 – Aug 2023

- Executed go-to-market strategy for a new export SKU line — defined buyer persona, built messaging framework, and launched lead generation outreach sequence; generated 12 qualified MQLs within 60 days, validating market demand ahead of full production scale-up.
- Analysed CAC, conversion funnel, and ROI across 3 markets using Excel and SQL, identifying referral as the highest-converting and lowest-cost channel; recommended shift to referral-led model that reduced customer acquisition cost by 22% and improved payback period.

RADBOARDS PVT. LTD. · Digital Marketing & Sales Startup

Kolkata, India

Sales & Marketing Associate

Aug 2022 – Nov 2022

- Built B2B pipeline through 500+ cold email campaigns, tracking open rates, reply rates, and conversion weekly; A/B tested copy across 6 variants, improving email performance 3x and converting 3 signed brand partnerships within 3 months.
- Managed 3 brand partnership accounts end-to-end — from campaign management and content coordination to stakeholder reporting — monitoring pipeline generation KPIs using Salesforce and HubSpot, delivering fortnightly performance reviews against agreed marketing analytics targets.
