PROFESSIONAL SUMMARY

Strategy and operations professional with 3+ years of experience diagnosing business inefficiencies and designing transformation roadmaps — driving 20% cost reduction, 95%+ on-time delivery, and \$450K+ in pipeline from a GTM strategy built from zero as Co-Founder of an international export business across 3 markets. MBA Finance (STEM) candidate, seeking a Consulting, Strategy, or Business Transformation internship/role.

CORE COMPETENCIES

Strategy: Market Entry Strategy, Competitive Intelligence, Strategic Planning, Business Case Development, Value Chain Analysis, SWOT Analysis, Strategic Diagnosis

Operations: Business Process Design, Change Management, Operational Excellence, Operating Model Design, KPI Definition, Vendor Management, Organizational Design

Tools & Tech: Excel (Advanced), Tableau, Power BI, SQL, Financial Modeling, Python (AI Agent Development), Streamlit, Claude API / LLM Integration

Certifications: MBA Finance (in progress) — Middlesex University Dubai

PROFESSIONAL EXPERIENCE

D.N.V. Overseas | Co-Founder & Strategy Director

Dubai, UAE | Dec 2023 – Present

- Identified market entry opportunities across 3 international markets (Russia, Mongolia, Middle East) by developing a comprehensive go-to-market strategy from the ground up.
- Achieved 20% cost reduction and 25% efficiency improvement by conducting a structured business diagnosis — mapping value chains, isolating root causes, and building a prioritised redesign roadmap.
- Lifted on-time delivery to 95%+ with a 35% efficiency gain by executing an operational transformation that redesigned processes end-to-end and built an operating model defining roles and decision frameworks.
- Secured \$450K+ in pipeline by developing a 3-year commercial growth strategy — market prioritisation, pricing architecture, and entry sequencing — and presenting it to key stakeholders.

Ravi Foods Pvt. Ltd. | Strategic Operations & Market Development Consultant

Hyderabad, India | Dec 2022 – Aug 2023

- Delivered market entry strategy for Russia and Mongolia — TAM sizing, competitive analysis, buyer research, and pricing benchmarking — that supported \$320K in contract pipeline.
- Prioritized international markets for expansion by performing a strategic opportunity assessment using TAM/SAM/SOM analysis across target geographies.
- Improved margins by 12% by designing a pricing strategy framework across 4 markets incorporating competitor intelligence and market positioning.
- Cut supply chain costs by 20% by analyzing the vendor landscape across 20+ logistics partners and recommending strategic consolidation.

AI & TECHNICAL PROJECTS

- AI Market Entry Strategy Tool** — Built and deployed an AI agent replicating a consulting market-entry workstream — market sizing, competitive landscape, risk assessment, and recommendation — with automated fact-checking ensuring source-backed conclusions.

Demo: market-entry-analyzer.streamlit.app | Code: github.com/dhruvharlalka0809-arch/market-entry-analyzer

- Business Risk Scenario Dashboard** — Built a scenario planning tool modelling Upside/Base/Downside/Stress cases with cash runway, EBITDA stress testing, risk scoring, and a management mitigation memo.
